

#GIVING TUESDAY IS NOVEMBER 28, 2017.

Giving isn't just about making a donation.
It's about making a difference.

Your tax-deductible donation will help make opportunities available to Maryland youth that aren't otherwise possible. CLREP brings the law to life through unique, real-world learning experiences that don't just teach the law...they prepare our kids for college and career paths. *Critical thinking. Public speaking. Time management. Teamwork.* The list keeps going, and the opportunities are abundant:

[Teen Court. Mock Trial. Law Links. Summer Law Academy.](#)
[Moot Court. Law Day. Civics and Law. Continuing Education Seminars.](#)

Give a little. Or, if you can, give a lot. Whatever you give, it makes a difference - to us, and to the youth we serve. Here are just a few of the ways we will put your contribution to good use:

- \$10 - bus fare for 5 kids to get home from Teen Court
- \$20 - pizza for 8 kids during Teen Court
- \$30 - a tie for a Baltimore City Law Links Intern
- \$50 - 2 blouses for one Law Links Intern
- \$75 - one day of wages for one Law Links Intern
- \$100 - breakfast for high school Moot Court competition
- \$250 - one scholarship for a Maryland Mock Trial team to register
