LOTS OF CLASS
...AND A LITTLE SASS...

Quips, Quotes, & Words of Wisdom

I've missed more than 9000 shots in my career. I've lost almost 300 games. Twenty six times I've been trusted to take the game-winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed.  
-Michael Jordan

If we're growing, we're always going to be out of our comfort zone.  
-Sean Covey

Everything is not what it seems.  
-Wayne Young

You don't have time for complacency.  
-The Honorable Emanuel Brown

I'm thankful for all those who said "no" to me. It's because of them that I'm doing it myself.  
-Albert Einstein

If you don't design your own life plan, chances are you'll fall into someone else's life plan. And guess what they have planned for you? Not much!  
-Jim Rohn

Do you want success or significance?  
-Sam Tarver

This program taught me more than I ever imagined it would, about myself and what type of lawyer I would like to become.  
-Stephanie Keyaka

"We learn something from everyone who passes through our lives. Some lessons are painful, some are painless... but, all are priceless."

"Class never runs scared. It is sure-footed and confident, and it can handle whatever comes along. Class has a sense of humor. It knows that a good laugh is the best lubricant for oiling the machinery of human relations. Class never makes excuses. It takes its lumps and learns from mistakes. Class knows that good manners are nothing more than a series of small sacrifices and minor inconveniences. Class bespeaks an aristocracy unrelated to ancestors or money. Some extremely wealthy people have no class at all, while others who are struggling to make ends meet are loaded with it. Class is real. You can’t fake it. Class is comfortable in its own skin. It never puts on airs. Class never tries to build itself up by tearing others down. Class is already up and needs not attempt to look better by making others look worse. Class can walk with kings and keep its virtue and talk with crowds and keep the common touch. Everyone is comfortable with the person who has class because s/he is comfortable with her/himself. If you have class, you’ve got it made. If you don’t have class, no matter what else you have, it won’t make up for it.”
