

## How is Nachele, Teen Court volunteer, making a difference?

Nachele is quite the youth volunteer. She doesn't just participate in Teen Court, she envisions the possibilities and the "what ifs." Nachele approached our staff, proposal in hand, about creating a peer mentoring program for Teen Court respondents. The mentoring program, which she named "HYPE", (Helping Youth Prosper Everyday) would pair respondents with Teen Court volunteers, to help support respondents through the program. Several months later, she has recruited and trained peer mentors, and six respondents have been successfully paired - with more on the horizon!

Nachele is a terrific example of youth leadership and vision. Your tax-deductible donation helps to support Nachele and other youth in our programs who are doing really remarkable things.

Here are a few of the ways your contributions will support our youth:

- \$15 - Bus Tokens to/from a mentoring meeting for five of our youth
- \$25 - Pizza for one Peer Mentoring meeting
- \$50 - The cost of training materials for 8-10 peer mentors

Give a little. Or, if you can, give a lot. Whatever you give, it makes a difference - to us, and to the youth we serve.
