Miranda: More than Words

"You have the right to remain silent."

In 2016, the nation marks the 50th anniversary of perhaps the nation's best-known U.S. Supreme Court case, *Miranda v. Arizona*.

The Miranda Warning has become ingrained in law enforcement and has permeated popular consciousness through countless recitations in films and television shows. Yet Miranda is only part of the story when it comes to the procedures for ensuring justice.

The 2016 Law Day theme — *Miranda: More than Words* — will explore the procedural protections afforded to all of us by the U.S. Constitution, how these rights are safeguarded by the courts, and why the preservation of these principles is essential to our liberty.

"You have the right to an attorney."

The Law Day Conference 2016 "Miranda: More than words" will feature fantastic interactive sessions, and the opportunity for you to learn, ask questions and dialogue with experts from around the state.

I wouldn't bother with *Miranda* for this guy.

Join us on May 2nd to celebrate the 50th anniversary of *Miranda v. Arizona*.

The Law Day Conference promises excellent speakers, meaningful dialogue, wonderful materials....and a bit of a commute for some schools...so please, arrive on time!!
