

Accessing PROcess for the First Time

[Here's a video of how teams will access PROcess for the first time.](#)

- Visit this link to the [MYLAW PROcess site](#) or <https://process-maryland.herokuapp.com/>.
- Create an account: set a username and password;

- Click on 2021 MYLAW Regional Competition;
- Click on Affiliate with Team;

- Enter name and email;
- Select team from a drop down menu.
 - Once a coach claims or affiliates themselves with a team, that team will no longer appear on the team drop down list. **Meaning, a team may only be linked to a single coach/account.**

Once logged into PROcess

- Coaches should enter/update their roster.
- Create a student account so students can log-in (as necessary).
 - Coaches can control what students have access to (e.g. a student may only see their team's scores, but not the competition standings).

****For help with account log in and other PROcess related questions during competitions, contact Amber at (443) 252-3786.***
